**Q. Can we list our team sponsor(s) on the only sign that is allowed at the event?**

**A.** Team sponsors who are not event sponsors shall NOT be recognized on the team identification signage, tent or on the beach.  
Also, team sponsors who are not Event Sponsors shall not have any signage banners or named giveaways on the beach.

**Q. Why can't we list our team sponsors?**

**A.** The primary cause of the event is to raise money for the AIA Houston chapter which goes to the foundation, education and scholarships. This being a fund raising event we want to make sure that the official sponsors who have financially committed to the event do not feel short changed by having others advertise without becoming an official sponsor to the AIA SandCastle event. To become an official AIA SandCastle event sponsor please visit [sandcastle@aiahouston.org](mailto:sandcastle@aiahouston.org)

**Q. What are acceptable names for our sign?**

**A.** We often receive requests for combining several or a couple of companies on the Team Signage. A good example of where people get into trouble is when Architecture Firm X and Contractor Y get together with a sign that has both of their names on it or a blend of their names. We will only allow one of the names or a completely different team name without company names within it such as Sandcastle Warriors.

Acceptable examples:

1. Team Antelope
2. Up Late Architects
3. On Time Construction
4. Local University
5. Happy Engineers

UNACCEPTABLE examples:

1. Up Late Architects/On Time Construction
2. Team Antelope/Up Late Architects/Happy Engineers/On Time Construction
3. Happy Engineers and On Time Construction
4. Local University/On Time Construction
5. Team Antelope and Happy Engineers – The Master Builders
